PEBMARSH PARISH COUNCIL

PEBMARSH IN BLOOM

6:00pm – 13TH November 2019 – Village Hall

Pebmarsh Parish Council are pleased to announce a village wide project initiative to bring a splash of colour to Pebmarsh, a community project called *Pebmarsh In Bloom*.

Taking inspiration from the medal winning *Halstead In Bloom* splendour, enjoyed by all every year as we travel through Halstead, and encourage Pebmarsh to do the same.

To gauge interest and scope out the project, an initial meeting will be held at 6.00pm on the 13th November 2019 in the village hall to which all are invited to come along, chat, brain storm and scope the project which will lead to a brighter, more colourful and even more welcoming Pebmarsh.

So, we are calling on all parishioners, friends and families to come along and contribute by joining in and bringing their brains, brawn, ideas, creativity and knowledge on landscaping, fauna, flora to share and inspire.

If you would like to find out more please contact one of your parish councillors directly and Dave, Jackie, Michael and Perry will be happy to help.
